

## **Privacy statement**

Best Way Ingredients B.V. respects the right to privacy of all users of its website and ensures that the personal information you provide is treated confidentially. We use your details to process your orders as quickly and easily as possible. We will always request your consent to use your personal data for any other purposes. Best Way Ingredients B.V. will not sell your personal data to third parties and will only make them available to third parties that are involved in processing your order.

Best Way Ingredients B.V. uses the information collected to provide its customers with the following services:

- If you place an order, we need your name, email address, delivery address and payment details to process your order and to keep you informed of its status.
- To make the shopping experience as pleasant as possible, Best Way Ingredients B.V., with your consent, stores your personal data and information relating to your order and the use of our services. This allows us to personalise the website.
- We use your email address to inform you about (the expansion of) our product range. If you no longer wish to receive this information, you can unsubscribe by sending an email to [info@bestwayingredients.com](mailto:info@bestwayingredients.com)
- If you place an order with Best Way Ingredients B.V., we will store your details on a secure server. If you want, you can enter a user name and password, so that you do not have to enter your name and address, telephone number, email address, delivery and payment details every time you place a new order.
- Information about the use of our site and the feedback we receive from our visitors help us to further develop and improve our site.

## **Best Way Ingredients B.V. does not sell your information**

Best Way Ingredients B.V. will not sell your personal data to third parties and will only make them available to third parties that are involved in processing your order. Our employees and third parties engaged by us are obliged to respect the confidentiality of your personal data.

## **Cookies**

Cookies are small text files that are stored on your computer.

Best Way Ingredients B.V. uses cookies to recognise you next time you visit. Cookies enable us to collect information about the use of our services and to improve and adapt them to the wishes of our visitors. Our cookies provide information relating to personal identification. You can set your browser so that it blocks cookies while shopping at Best Way Ingredients B.V..

Contact us if you have any questions about Best Way Ingredients B.V.'s Privacy Policy. Our Customer Service will help you if you need information about your personal data or if you want to change them. We regularly review our Privacy Policy. You can always find the most recent information on this page.

## **Disclaimer**

Despite paying the utmost care and attention to the composition of this website, Best Way Ingredients B.V. cannot rule out that the information on this website could be incomplete or incorrect, and also cannot guarantee that this website will be free of viruses or other harmful elements.

The information on this website is regularly updated by Best Way Ingredients B.V.. Changes may be made at any time without notice, and access to and use of this website may be terminated at any time without notice.

All content on the website, including text, is the exclusive property of Best Way Ingredients B.V. or its suppliers and is protected under Dutch and international copyright laws.

Best Way Ingredients B.V. cannot guarantee that the information on this website is suitable for the purpose for which you might consult it. All information, products and services are offered in the state they are actually in and without any (implicit) guarantee or warranty as to their reliability and suitability for a particular purpose or otherwise.

Best Way Ingredients B.V. does not accept any liability for damage resulting from, or in any way related to the use of this website, including but not limited to direct, indirect, additional and consequential damage.
