

VEGAN PROTEIN 80 (PEA-RICE POWDER)

PRODUCT DESCRIPTION

Rice & pea protein is a high-quality, plant-based protein blend that combines the benefits of brown rice protein and pea protein isolate. This balanced formula provides a complete amino acid profile, is easy to digest, and free from common allergens. The powder is ideal for use in sports nutrition, meal replacements, and plant-based food products.

INGREDIENTS

55% pea protein and 45% rice protein

APPLICATIONS

Plant-based baking recipes
Sports- & Diet food
Meal replacements
Ice & desserts
